## Verse 1

Em Bm  
All that shredded paper on the floor  
Em Bm  
Pieces of a story it's impossible to read  
Em Bm  
You can't flip the pages anymore  
G Gm  
Sorta hard to do when there're no pages to be seen

## Pre-chorus

Bm  
Looking at the fragments  
Em  
Wondering what happened  
D A7/C#  
Suddenly you see two words

## Chorus

D  
Trust the Storywriter  
Em  
You know you can't read these shreds  
G  
But the One who can has said  
Gm  
"My peace I leave with you"  
D  
Trust Him now  
Em  
When your story makes no sense  
G  
You can know the Author went  
A7  
And told you the end

Gm  
"My peace I leave with you"

D  
Trust Him now

Em  
When your story makes no sense

G  
You can know the Author went

A7  
And told you the end
