Verse 1

Eadd9 F#m7
It's time to stop and think about the way you intercepted me
Eadd9 F#m7
Yeah, I was running to my death and then You broke my rebel heart
Eadd9 F#m7
Your forgiveness built it into something new
Eadd9 F#7
God, I don't deserve to look so much like You

Pre-Chorus

B
But I'm here today
With Your people, God
B7
We are ready now

Chorus

Eadd9
Let us revel in Your love
C#m
Let us dance as the redeemed
Aadd9
Here we are in celebration

Without hesitation

You give true salvation
Eadd9
Let us revel in Your love
C#m
Let us sing as the set free

Yeah, You've written out this moment
